truly broad, creative and engaging curriculum.

BY JULY 2025, WE WILL:

Ensure pupils who are eligible for pupil premium funding make the same, or better, progress than their peers.

2

Develop an inspiring and highly creative curriculum underpinned by partnership.

3

Be an anti-racist school.

4

Ensure that all children are ready for the next stage of their education.

5

Offer a high quality package of professional development for all staff members in all departments.
